

Trade fair visitor services

You will find that there are many useful and convenient services on offer for visitors during air cargo europe. We would recommend finding out about any services you wish to make use of before arriving at the event.

Are you looking for specific business services such as printing facilities, or WiFi access? Do you need a bank, a dry cleaner, or a pharmacy? Or would you like to find out more about accessibility at our venue?

At one of Europe's most state-of-the-art trade fair centers, we offer visitors a wide range of service facilities to make your time at transport logistic as enjoyable as possible:
